

# FAMILY SUPPORT SERVICES

## Empowering parents and caregivers.

We provide ongoing support and advocacy to those who are parenting children with social, emotional, and behavioral needs. Our services include:

support

### PARENT SUPPORT AND ADVOCACY

Focused on empowerment, education, and connection to resources, both in the community and natural supports, to increase the parent and caregivers' ability to manage stress and promote positive outcomes.

groups

### PARENT SUPPORT GROUP

Parents and caregivers share their concerns and experiences with each other, obtain support and guidance from their peers. Facilitated by a Family Peer Advocate.

classes

### PARENTING SKILLS CLASSES

Offered in a series of classes throughout the year. Facilitated by a Family Peer Advocate.

## FAMILY SUPPORT SERVICES PROGRAM
